6. Health & Safety and Set Behaviour

Health & Safety

- Production Health & Safety is an important issue and it is everyone's responsibility.
- A risk assessment form and health and safety regulations that can be seen upon request and will be located with the Producer.
- Please contact the Producer with any Health and Safety Issues at any time.
- Please report any accidents to the Producer of AD. A **First Aid box** will be found with the Producer or AD.

Emergency Procedure

If you discover a fire:

- Exit the building immediately by the shortest and safest route, alerting others in the area.
- If possible, please contact Producer or the AD to inform them of the exact nature/location of the incident.
- Then make your way to the assembly point (which is the Car park to the front of The Rainbow Inn) and await further instruction. Do not under any circumstances re-enter the building until you are told it is safe to do so.
